

T-Net International Cost Sharing Plan, January, 2008

Our heartfelt desire is to help you obey God in becoming a more effective Great Commission, Great Commandment church. Since *T-Net is a faith ministry*, only half of our expenses are covered by income from training centers. The rest is covered by donations. The following cost structure represents our commitment to focus on ministry, not on money. We would like to present our intentional whole church discipling training in terms of Three Commitments.

Commitment One - A Two Day Training Event
“Planning An Intentional Process for Your Church”
 Meeting includes Friday, 6:30-10:00 PM, and Saturday, 8:00 AM-6:00 PM
 Twelve hours of leadership training!

The actual cost to T-Net to present this meeting averages \$225/person for smaller training centers. However, our experience has shown that those *who bring the most leaders do the best in the transformation* process. Therefore, in an effort to *maximize ministry* to your church, we now offer you a new way to increase your impact: photocopy your own notes and bring all the team members you need from your church. The following suggested donations are based on your church’s average weekly worship attendance (adults and children).

Sunday Attendance	Bring	Donation	Sunday Attendance	Bring	Donation
<50	All you like	\$425	<300	All you like	\$1250
<100	All you like	\$625	<400	All you like	\$1495
<150	All you like	\$845	>400	All you like	\$1895
<200	All you like	\$1050			

A pre-training session precedes meeting one (for pastors and staff members only) to give more in-depth training to those who will act as coaches in each church. This meeting (Thur. 8:30-5:30 and Fri. 8:30-4:30) costs \$100 per participant and includes manuscript versions of several meetings. A free software program and small group training manual is included with this meeting.

Commitment Two – 20 Months
Five Meetings
“Establishing the Foundation of a Disciplemaking Church”
 Meetings are Friday, 6:30-10:00 and Saturday from 9:00 AM-5:30 PM

During these 20 months of training you may bring your original team or enlarge your team size. The actual average cost to T-Net is \$225/person for smaller training centers. However, to *optimize ministry to your church*, we now allow you to photocopy your own notes and offer the following new payment plan, encouraging you to spread the cost over **20 months**, (the time from meeting 1 until the end of meeting 6): The financial impact of this should be like adding a missionary to your budget, but with significant impact to your own church!

Sunday Attendance	Bring	Total cost	Sunday Attendance	Bring	Total cost
<50	All you like	\$90/mo	<300	All you like	\$265/mo
<100	All you like	\$125/mo	<400	All you like	\$295/mo
<150	All you like	\$175/mo	>400	All you like	\$375/mo
<200	All you like	\$195/mo			

Commitment Three – 12 Months
Three Meetings
“Maximizing and Multiplying Disciplemaking in Your Church”
 Meetings are Saturday only from 9:00 AM-5:30 PM

These meetings are paid for in the same way as Meetings 2-6. The payments are identical and are also spread over **12 months** (the time from meeting 6 until the end of meeting 9).

In General: Churches will need to donate for meeting one, in one lump sum, 30 days prior to the meeting. Churches will be sent a monthly reminder of their donation for the rest of the process for as long as they continue. If, for any reason, your church has problems with donations, please call us. **We will never let money stand in the way of ministry!** A church may choose to drop out of the process at any time by giving their training and T-Net **one month’s notice**. Thank you for your commitment to intentional, whole-church discipling.
